## MARCH 2010 UPDATED 26/3/10

Welcome to the March newsletter. I hope you are all coping with the weather, which here seems to be either snow or rain. Included with the newsletter is the entry form for the Herd Competition. This will be judged by Angela from the Woodbastwick herd. Entry forms need to be back with me by the end of April. Also included is the Herd Census. When you have made any corrections that are needed please return again by the end of April. If you do not need to make any alterations please send the form back.

Ruth

## MILLENNIUM BOOK

Work is now progressing on the Millennium Book. Nell has requested that all articles and photographs about your herd are sent to her by the end of April. Nell's e-mail address is emfmatheson@yahoo.co.uk or post to Trees Farm, Standerwick, Frome, Somerset BA11 2PT.

## ANNUAL GENERAL MEETING

The 2010 Annual General Meeting will be held on Saturday 14th August and will be hosted by Andrew Fisher. More details will be included in the next newsletter. It is planned to hold an Auction of Promises at the AGM, and to this end I will need to put together a list of promises that are for auction. If you would like to donate something towards the auction please let me know, the earlier the better but by the middle of May at the latest.

## EXECUTIVE COMMITTEE

A meeting of the executive committee was held at the Farmers' Club in London on Thursday 18th February. Henry Cator was elected as Chairman of the committee for the next year.

## MANAGEMENT COMMITTEE

The Management Committee met in the Charolais Pavilion at the Royal Show Ground. Leslie Cook was elected chairman for the coming year. The next meeting will be held on Thursday 29th April in the RBST committee room on the Royal Show Ground.

## ELECTRONIC NEWSLETTER

If you would be willing to receive your quarterly newsletter via the e mail can you please email me your name and herd letters. In the subject box please put Newsletter. This will save the society postage, and you will get your newsletter a little bit earlier.

If you decide to do this can you let me know as soon as possible so that I can get the system in place.

## NORFOLK SHOW

The show committee of the Norfolk Show have amended the classes and they will be as follows:

HEIFER born on or after 1st January 2009

HEIFER born on or after 1st January 2008 and before 1st January 2009

COW in milk, in calf, or with calf at foot born before 1st January 2008

BULL born on or after 1st January 2009

Bull born prior to 1st January 2008

There will also be the Championships and Special prizes as in previous years.

## NATIVE BREEDS AND bTB

The Longhorn Cattle Society have been asked to co-ordinate efforts to lobby politicians to make them aware of the effect of bTB on native breeds. I quote from there letter.....

'I would like you to ask any of your members that have been affected by bTB to write a similar piece with their experiences of bTB, if possible with photographs of cattle that have been taken out and how important those bloodlines were to that herd and to the breed as a whole. These case studies will be compiled into a dossier that will then be presented to politicians of all parties at the highest level to try and make them realise that the consequences of having bTB in a herd id far more than just financial'.

Debbie Dann from the Longhorns has requested these be submitted to her by the end of March 2010. The email address for the Longhorn cattle is secretary@longhorncattlesociety.com. If e mail is not possible case studies can be sent to the Longhorn Cattle Society at 3 Eastgate, Stoneleigh Park, Stoneleigh Warwickshire CV8 2LG

## WORCESTER SALE 2010

A new sale is being organised for British White Cattle on Saturday 25th September 2010 At Worcester Market. It is hoped that this will become an annual event and will be opened to haltered and unhaltered and store cattle. There will not be a show, but cattle will be inspected prior to sale and must be in fair condition. All registered cattle will be sold in guineas and stores will be sold in pounds. There will be no entry fee, but a pro rata charge will be levied to cover advertising and catalogue costs.

All store cattle from the same vendor will be counted as one lot regarding the fees. A strict closing date of Saturday 28th August will apply.

More details in the next newsletter.
